05 Logo Misuse

What Not To Do

These examples show incorrect logo usage. None of these applications are permitted.

The Golden Rule:

If in doubt, always request the original .AI or .EPS master file from the brand team before reproduction.

07 Imagery Style

Use

- + Real people — authentic, unposed moments in domestic setting
- + Warm, natural lighting — avoid cold studio or clinical environment
- + Diverse representation — ages, family types, life stages
- + Emotionally resonant — moments of care, security and family connection
- + High resolution only — minimum 300dpi for print, 72dpi at full size

Avoid

- Stock clichés — handshakes, suited strangers, generic "success" imagery
- Oversaturated or HDR processed photographs
- Images implying financial stress or crisis without FPG context
- Watermarked or low-resolution source images
- Photography with visible competing brand logos or signage

Colour Treatment

Hero Blue Overlay

50% opacity overlay for editorial use

Orange Duotone

Key campaign imagery only

Cool Grade

08 Brand Voice

Direct

We say what we mean. No jargon.
If it matters, we say it plainly.

Human

We talk to people, not at them. Real
real warmth, real care.

Confident

We know our subject. We do not
the facts are clear.

Responsible

We never sensationalise. Where a hard truth
exists, we deliver it with care.

Copy Examples

+ What we say

*If you die tomorrow, your family could lose the house.
We can make sure they don't.*

x What we avoid

*Our flexible protection solutions offer
comprehensive peace-of-mind coverage.*

+ What we say

*You've built something worth protecting.
Let's talk about how we keep it safe.*

x What we avoid

*FPG provides market-leading financial
planning services for discerning clients.*

FCA Compliance Note:

All financial promotions must be fair, clear and not misleading. All copy for public-facing materials must be reviewed against COBS / MCOB requirements and signed off by a Compliance Officer before issue.
